

Summary of recent Nile crocodile removal in Everglades National Park

Tylan Dean, ENP

Jenny Ketterlin Eckles, FWC

Chekika, Everglades National Park

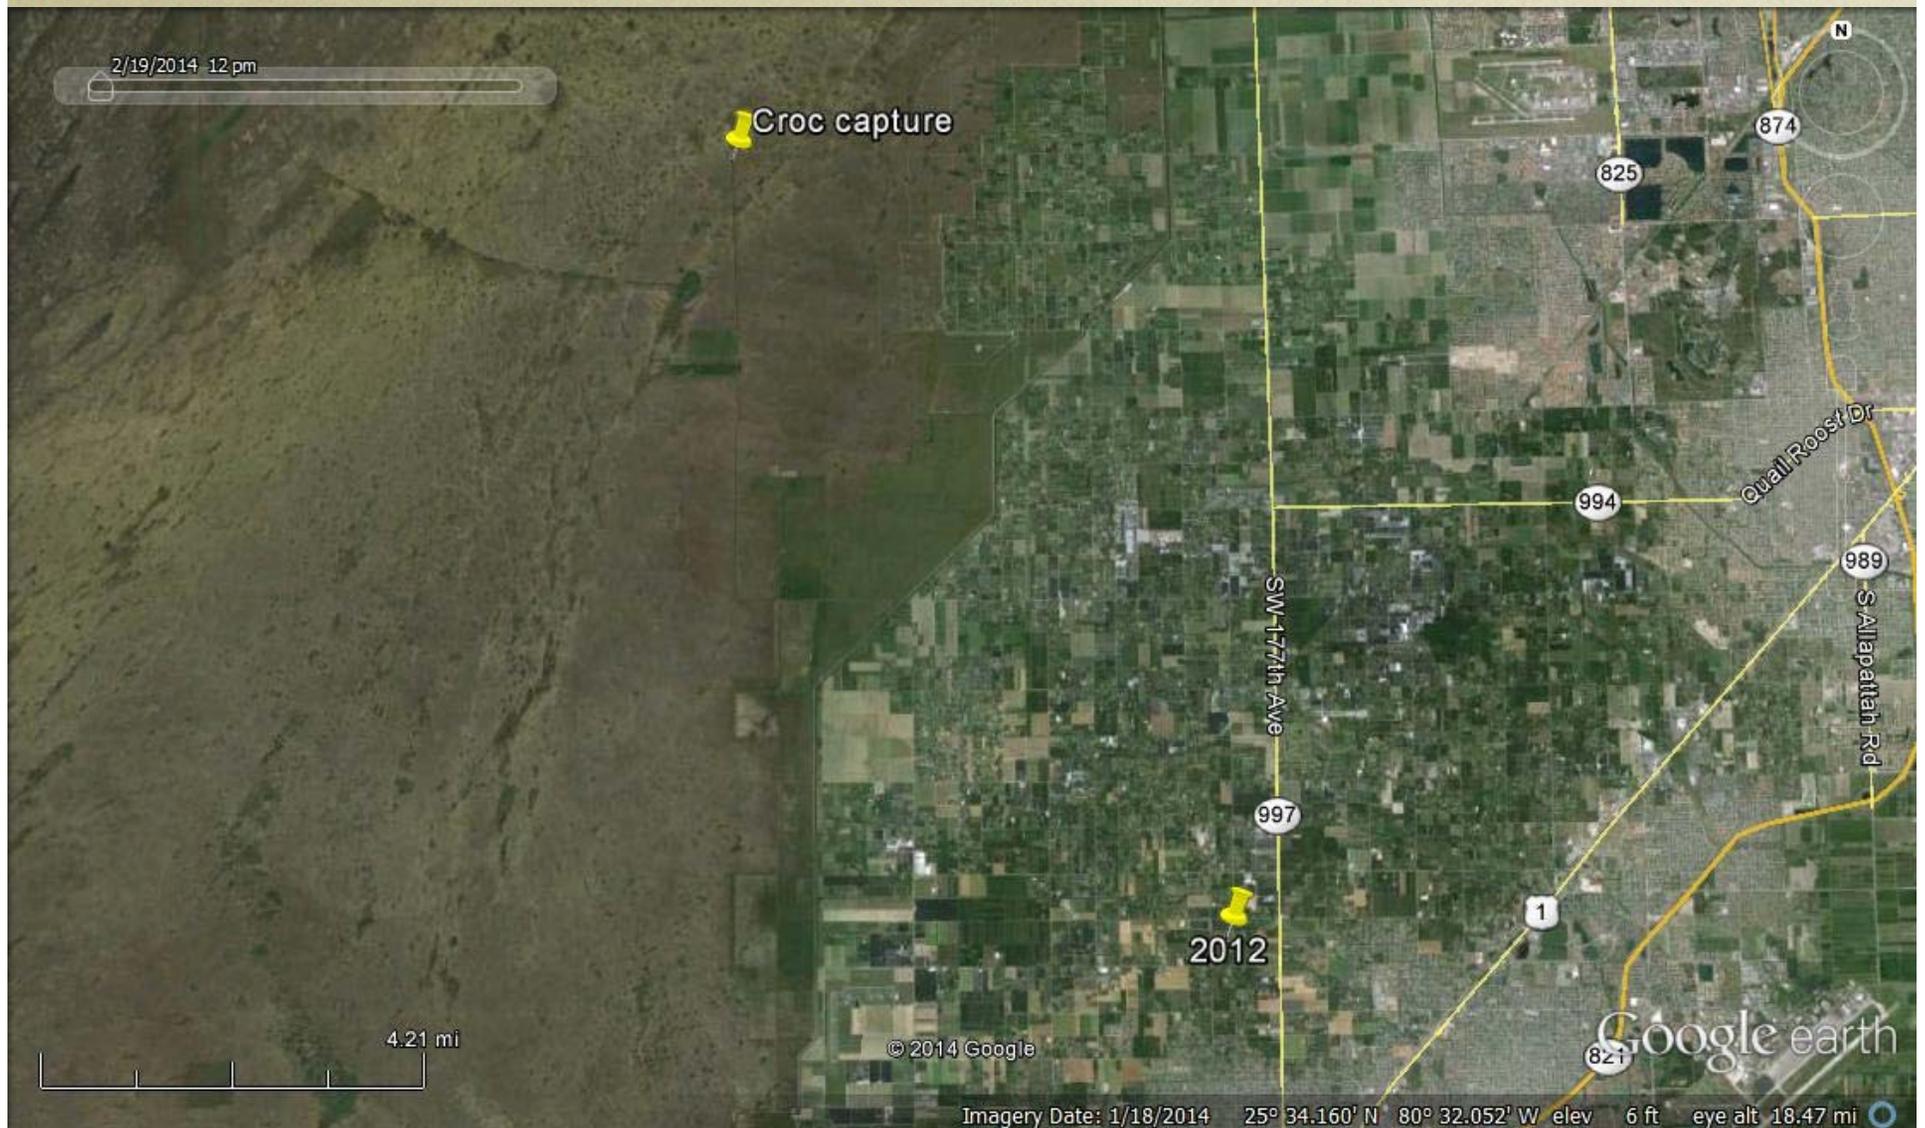

February 22, 2014

March 9, 2014

Locations over time

Follow-up actions

- ENP organized after-action report with all involved to discuss things that went right and things that could be improved upon
- Participants would like to use this example to aid in creating a nonnative crocodilian response plan
