

# AGENDA

## SOUTH FLORIDA ECOSYSTEM RESTORATION SCIENCE COORDINATION GROUP (SCG)

Coral Springs Marriott, Orchid Room  
11775 Heron Bay Blvd., Coral Springs, FL 33076  
Wednesday, April 28, 2010

**Science Coordination Group Duties:** *To assist the Task Force in providing intergovernmental coordination of the programmatic scientific aspects of restoration of the South Florida ecosystem.*

**Wednesday, April 28 2010**

### SCG Meeting

- |             |  |                           |
|-------------|--|---------------------------|
| 10:00-10:10 | <b>Opening Remarks and Introductions</b>   | Susan Markley             |
|             | <i>Purpose: To present the goals for meeting. The goals include discussing options for the development and approval of the 2010 Plan for Coordinating Science; and other priorities for the Science Coordination Group in 2010.</i>                                  |                           |
| 10:10-10:25 | <b>Member's Whip Around</b>  |                           |
|             | <i>Purpose: Individual members will have an opportunity to informally and succinctly present their organization's current and upcoming activities related to Everglades restoration.</i>   |                           |
| 10:25-11:45 | <b>2010 Update of the Plan for Coordinating Science Discussion</b>   | Susan Markley<br>Greg May |
|             | <i>Purpose: To briefly review the purpose and background of the PCS; to discuss the goals, options and schedule for preparing the 2010 Plan for Coordinating Science.</i>  |                           |
| 11:45-12:00 | <b>Public Comment</b>  |                           |
| 12:00-1:00  | <b>Lunch Break</b>   |                           |
| 1:00-1:30   | <b>Discussion of New Science Information Brief</b>   | Terry Rice                |
|             | <i>Purpose: The Miccosukee Tribe of Indians of Florida requested an opportunity to present their concerns related to the New Science Information Brief distributed on April 16, 2010. The members of the SCG will have an opportunity to discuss their comments.</i> |                           |

# AGENDA

## SOUTH FLORIDA ECOSYSTEM RESTORATION SCIENCE COORDINATION GROUP (SCG)

Coral Springs Marriott, Orchid Room  
11775 Heron Bay Blvd., Coral Springs, FL 33076  
Wednesday, April 28, 2010

1:30-2:30      **SCG Priority Issue Discussions**      Susan Markley  
All Members

- Climate Change and Everglades Restoration Science Coordination
- Synthesis of Science Information; Integration with Management Issues
- Other Potential Topics for Future Agendas

***Purpose:** The Task Force and SCG have identified responding to climate change and the synthesis and integration of science as priority topics. Members will have the opportunity to discuss agency or intergovernmental actions and specific next steps, including the identification of possible gaps, related to these priority topics. There will also be an opportunity to identify other potential SCG issues for 2010.*

2:30-2:45      **General Public Comment**

2:45-3:30      **Next Steps and Closing Comments**      Susan Markley

3:30      **Adjourn**

\* An afternoon break will be taken at the discretion of the Chair
