

***Coordinating Success: Strategy for Restoration of the South Florida Ecosystem***

**An Update on the Strategic Plan**

***December 4, 2001***

Pursuant to the November 16, 1999 Report from Congress, the strategic plan is to be updated every two years. The 2002 update will incorporate the efforts of the Goal 3 committee, address GAO's March 2001 comments, and update project information and status as needed. As with the original planning effort, senior staff representatives from the Task Force and Working Group membership will be contacted to ensure the latest information is presented.
