Re: Comprehensive Everglades Restoration Working Group

Dear Mr. Salt:

As you know, Toy Keller has accepted a position outside the Department. Therefore, at this time, we will be filling the Department position on the Working Group with Mr. Ken Metcalf, who is the Community Program Administrator for the southeast counties of Florida. Mr. Metcalf will be assisted by Ms. Ann Lazar who works on Florida Keys issues regarding the Work Program in the Comprehensive Plan including the Keys Carrying Capacity Study.

The Department looks forward to the continued progress on Everglades issues and concerns and to attending the next Working Group meeting on September 24-25, 2001 on Key Largo. Please send meeting notices to Mr. Metcalf and Ms. Lazar regarding the Working Group meetings. If you have any questions please contact either one of our representatives at 850-487-4545.

Sincerely,

Michael McDaniel  
Growth Management Administrator  
Bureau of Local Planning
