

# SOUTH FLORIDA ECOSYSTEM RESTORATION TASK FORCE

LEADERSHIP • PARTNERSHIP • RESULTS

## Science Coordination Group Sponsored RECOVER Workshop

Procedures  
July 19 and 20, 2023

Carrie Beeler, OERI

Carrie Beeler Agenda item #2

# Background

- The Task Force and the Science Coordination Group (SCG) have a long history of coordination on restoration science.
- RECOVER has an Important role in restoration and coordinates at regular WG and SCG meetings
- During previous WG/SCG meetings and TF meetings, RECOVER requested SCG sponsor a workshop to support monitoring and science information needs to support CERP
- The Task Force's *Plan for Coordinating Science* outlines how the SCG coordinates science; 1 way is through scientific and technical workshops hosted by the SCG.

# Workshop Format

---

**Day 1: July 19, 2023** - 9:00 AM- 5:00 PM-Northern Estuaries & Southern Coastal System

---

**Day 2: July 20, 2023** - 9:00 AM - 5:00 PM-Lake Okeechobee & Greater Everglades

---

Remote viewing of breakout sessions are not available

---

The SCG sponsored workshops are designed to allow exchange on important Restoration Science Topics

---

# Workshop Ground Rules

Welcome to the conversation!

- Today's workshop is being webcast and recorded.
- Ways to participate:
  - **Engagement can occur as time allows after presentations**
  - **There are 2 opportunities for scheduled Q & A both In-person and Zoom via Raise Hand feature**
    - Designated time after the morning presentation
    - Break out Briefings allow for additional engagement

# Public Engagement and Comment via Zoom Raise Hand

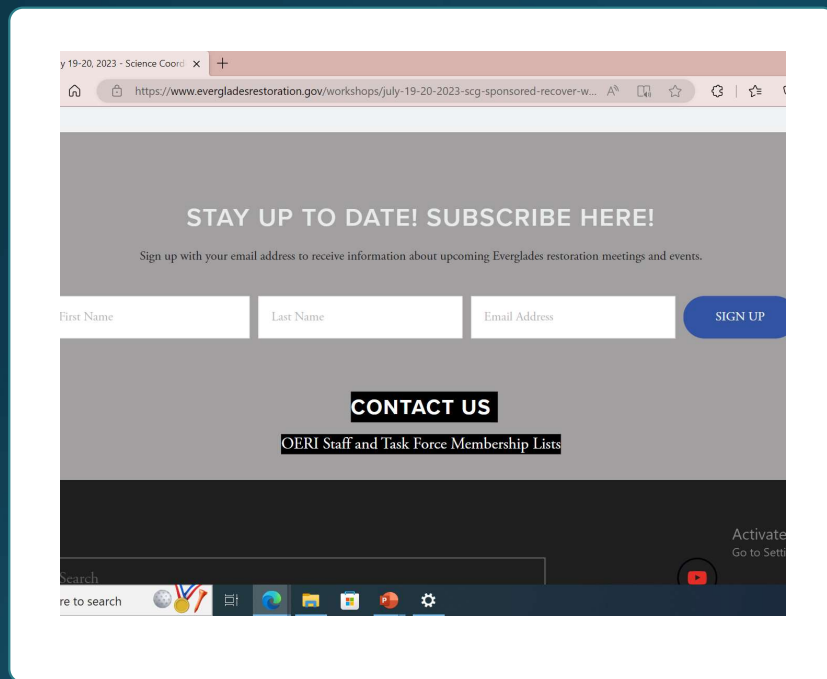

- At the beginning of the Q & A the period, click the Raise Hand icon at the bottom of your screen if you'd like to speak.
- The host will be notified that you've raised your hand.
- The host will call on individuals wishing to speak.
- Your microphone will be unmuted for you.
- Please be considerate and succinct.

# Workshop Format

- In addition to the Zoom Webinar, today's workshop is being webcast live and recorded.
- Results of the workshop will be transmitted to the USACE and SFWMD

# EvergladesRestoration.gov

- Today's workshop materials are posted under:

<https://www.evergladesrestoration.gov/workshops/july-19-20-2023-scg-sponsored-recover-workshop>

- The summary and recording will be posted as soon as they are available.
- Scroll down to the bottom of our home page to "Stay up to Date" and receive notices of upcoming events.
