

## Task Force Discussion Questions

- ❑ Did the survey miss any important issues?
- ❑ Are there any collective perspectives?
- ❑ Where does the Task Force provided maximum value-added?
- ❑ What are the most important things that the Task Force can do to fulfill its role as prescribed in WRDA 1996?
- ❑ What are the most important things that the Task Force can do to implement the Strategic Plan?
- ❑ What improvements does the Task Force need to make?
- ❑ What are the priority, must-do issues over the next several years?
- ❑ What is the best strategy for accomplishing these issues?
- ❑ What are the 2004 priorities for the WG and SCG?
- ❑ What should be done to build on these discussions?
