Footnotes:

- (1) State expenditures may include local government contributions on CARL, Florida Forever, FCT, and SOR Projects.
- (2) This project is not entirely within SFWMD; the numbers here are that portion of the project within the SFWMD. Expenditures are pro-rated for that portion of the project.
- (3) The EAA/Talisman Project includes Talisman Ranch parcels as well as other EAA parcels purchased by the SFWMD, in partnership with USDOL.
- (4) Breakdown of Fisheating Creek total acres acquired is 59,910.07 - 9,879.80 fee, 50,030.27 conservation easement.
- (5) The total project size of the WCA's is 867,000 acres. Which encompasses WCA's 1, 2 and 3. WCA 1 is reported as the State/SFWMD acquired acres under the ARM Loxahatchee National Wildlife Refuge entry.
- (6) Acres and expenditures reported for this category reflect grants provided to local governments for anticipated acquisitions, but do not necessarily reflect completed acquisitions.
- (7) Includes acreage of Corbett WMA and portions of Three Lakes and Babcock Webb WMA's within SFWMD; complete state and federal expenditures not available at this time. Corbett and Babcock Webb acquired primarily with federal funds.
- (8) The total size of the ARM Loxahatchee NWR is 145,567. 141,324 of these acres are state owned and leased to the USFWS for management. The State owned acres are Water Conservation Area 1.
- (9) State acres are Florida's donation to Federal Government.
- (10) Ownership of acreage in the Dry Tortugas National Park is unresolved.
- (11) Acres and expenditures reported for the Florida Panther NWR also includes parcels acquired in the Cape Romano/Ten Thousand Islands NWR.
- (12) Acres and expenditures reported for the J. N. "Ding" Darling NWR also includes parcels acquired in the Caloosahatchee NWR, Matlacha Pass NWR and Pine Island NWR. Ownership of lands in the Caloosahatchee NWR and Matlacha Pass NWR have never been under private ownership. They have been transferred between federal agencies.
- (13) Acres and expenditures reported for the Florida Keys NWR also includes parcels acquired in the National Key Deer Refuge, Great White Heron NWR and Key West NWR. Ownership of lands in the Key West NWR have never been under private ownership. They have been transferred between federal agencies.

Lands acquired by the State or SFWMD with funds provided in whole or part by the federal government often have conservation easements or restrictive covenants held by the federal government.

CERP: These highlighted projects have lands which may be suitable for use by CERP Projects. The majority of CERP projects are not represented in this table.
CRP: These highlighted projects are Critical Restoration Projects
C&SF: These highlighted projects contain lands which are partially or completely within the Central and Southern Florida Project.
