South Florida Ecosystem Restoration
Land Acquisition Update

DRAFT

LEGEND

Data layers pertaining to conservation lands represent the acquisition status of properties as of 2004-06-30. Symbols represent funding split; in some cases, interest acquired is less-than-fee simple. "Acquired - 100% State Funds" and "Acquired - Predominantly State Funds" include all lands purchased by either the State of Florida or the South Florida Water Management District. Some local funds may have been used as well (Appendix E). "Predominantly" means >50%.
