# The Challenge

- **Reaching Consensus Among Diverse Backgrounds and Perspectives**
    - *Learning background and perspectives*
    - *Building a process for reaching consensus*
    - *Becoming familiar with technical information*
    - *Understanding the implications of Model Results*
- » *Narrowing Areas of Disagreement*

# How We Operate

- **Align CSOP Advisory Team Meeting Schedule with CSOP PDT Schedule**
  - *CSOP PDT Products: Alternative Strawman Documents; Model Output QA/QC*
- **Achieve CSOP Performance Expectations**
  - *Used in Assessing Alternative Strawmen and Model Output*
- **Receive Input from CSOP Advisory Team Technical Experts**
- **Review Performance of Alternatives**
  - *Individual Feedback ► Consensus Feedback to the Task Force*
