

Event Title: Working Group (WG)/Science Coordination Group (SCG) Meeting

Date: Tuesday, September 16, 2014

Time: 10:00 AM – 2:30 PM - Joint WG/SCG Meeting

Background: The South Florida Ecosystem Restoration Task Force (Task Force) was established by Congress in 1996 to ensure consistent strategies among all the partners working towards Everglades restoration. The mission of the Working Group is to support the Task Force in its efforts to achieve the restoration, preservation and protection of the ecosystem while promoting a sustainable South Florida. The Working Group assists the Task Force in providing intergovernmental coordination, exchanging information, facilitating the resolution of conflict, assisting members, and promoting public participation. The mission of the Science Coordination Group is to assist the Task Force in providing intergovernmental coordination of the programmatic scientific aspects of restoration of the South Florida Ecosystem.

Description and General Purpose of the Meeting:

The draft Strategy and Biennial Report to Congress will be reviewed. This report outlines how the restoration effort will occur, identifies resources needed and reports on the activities and progress made toward restoration. The draft Invasive Exotic Species Strategic Action Framework will also be reviewed. The Task Force, at its July 2013 meeting, requested that the OERI provide enhanced coordination support for the development of a framework that includes a cross cut budget planning tool. The possibilities of decreased funding for the operation the Everglades Depth Estimation Network (EDEN) will be discussed. An update will be provided on the National Research Council (NRC) Report and the new website: www.evergladesrestoration.gov which is under development.

Meeting will be webcast.
